Dear Morale Welfare Recreation patron:

Welcome to Picatinny Arsenal! We thank you for your participation in the Garrison's Morale, Welfare and Recreation (MWR) program. Our "Community" serves the best Army in the world and those volunteer servicemen and women defend our freedoms, liberty and way of life. We are indebted to those who risk everything to defend us-then, now and in the future.

We are pleased to share some of our MWR programs and facilities with the community where there is space available and when doing so is in the best interest of the Army.

Your use of our facilities is contingent upon you adhering to the installation's standards and regulations intended to maintain the safety and quality of life for everyone on Picatinny. Specifically, all individuals entering the installation must comply with the following:

- Obey posted speed limits** for your safety, the safety of others and to prevent accidents.
- Obey parking restrictions** to assure emergency response vehicles have the needed access to safely navigate roads and ensure the best possible response under exigent circumstances.
- Maintain the installations appearance by not littering.** When we have to allocate resources to pick up litter, it impairs our ability to make repairs to the facilities, buildings and infrastructure.
- Engage in proper conduct** and ensure that of your children.

These are all simple things to do and we ask that you be mindful and diligent in this regard so that it remains in the Army's interest to welcome your use of our facilities.

Thank you again for choosing Picatinny Arsenal as a destination to meet your recreational needs. We look forward to hosting you and your family.

Sincerely,
